

# Superintendent's Message

January/February 2022

As we return from holiday break, we want to remind students to finish strong in the first semester to be able to get off to a great start for the second semester.

Prior to the break, the district conducted an emergency safety drill and just a reminder, Findlay City Schools is proud to partner with SaferSchools Ohio to provide our families with a free resource for keeping our schools safe. The anonymous tip line service helps alert local law enforcement to potential school safety crises. By calling or texting the statewide tip line – **844-SAFEROH** – you can report anything that is suspicious or endangering you, your friends, or your school.

Mrs. Harrington, Treasurer, will offer a Finance 101 Class on January 27th at 6:00 p.m. at 50 North (339 East Melrose). This part 1 of a 4-part series/class will offer the public information about school finance, which is often a confusing subject area. Come and learn about how public schools are funded today and how the federal and local monies are allocated. We will communicate when and where the other classes will be held. This meeting is open to any interested community member.

January is School Board Recognition Month and a chance for all of us to thank our school board members for the work that they do for the district. The Board of Education members' positive leadership and their concern for the students is one of the top reasons that makes Findlay City Schools so great.

Be sure to follow us on social media: Facebook, twitter, and Instagram.
