

## **Superintendent's Message** **July/August, 2021**

Summer has been flying by and I can't believe it is July already. I am not certain if it is due to the reduction in pandemic related health orders, but things are starting to pick up at Findlay City Schools and there has been excitement in the air. It was great to see students at summer adventure camps, art camps, athletic camps, etc. I am eager for staff and students to return for the 2021-22 school year.

The current COVID rate has been the lowest that it has been and although the pandemic might not be completely behind us, we are encouraged by the improvements in the measurements. As we move forward, we will continue to work with Hancock Public Health to monitor COVID cases and stay up to date on COVID related issues. Face coverings/masks will be optional for the 2021-22 school year; however, this is subject to change depending on recommendations from Hancock Public Health and the Centers for Disease Control.

School starts August 24, 2021. Please refer to the school calendar for other pertinent dates:

### **2021-22 School Calendar**

We look forward to serving the students and families of the community. Thank you for your support and entrusting us to educate the students that we serve. Findlay City Schools mission is to unlock the dreams of all students through academic excellence, diverse opportunities, and true belonging.

Have a safe and healthy summer. Go Trojans! #TrojanTrue

Mr. Troy Roth, Superintendent
