

May/June Superintendent's Message

It is hard to believe that we are at the end of the school year. This will be my last superintendent message for the district as I have accepted the superintendent role with Bellevue City Schools. I have been honored to have served the district as assistant superintendent and superintendent for Findlay City Schools over the past seven years.

The end of the school year is an exciting time for all students, but especially for the many seniors who will graduate from Findlay High School or Trojan Academy. While the last few years have been challenging to say the least due to COVID-19, our students rose above all of the challenges and as they walk across the stage to receive their diploma, they will be prepared to enter college, a career, or the military. I congratulate our seniors and wish them the best in their future pursuits.

There will be many activities taking place throughout the summer from summer school to art camps and athletic competitions. Be sure to check out the district's calendar <https://fcs.org/district-calendar/> to keep up to date on events and activities. Click on the School Year 2022-2023 tab to view the board-approved 2022-23 school calendar. Be sure to follow our social media pages to learn more about the district.

Findlay City Schools will be left in good hands with a dedicated staff, administration, and board of education that serves the students and community each day by fulfilling the mission of “unlocking the dreams of students through academic excellence, diverse opportunities, and true belonging.” I wish nothing but the best for the district and community with much success in the future.

Important Dates to Remember

May 14 - Jr./Sr. Prom

May 26 - Last Day for Students

May 28 - FHS Graduation

August 23 - First Day of School for Students
